DEDICATION

We the members of the senior class of 1976 proudly
dedicate

The Spirit of the Falcon '76

to Dr. Lawrence Thompson for his services to the
many students with whom he has worked. During
this year and many other years, he has helped to
initiate many of the facilities which have made our
stay at Saint Augustine's College academically
profitable.

In the classroom, and in his administrative posts,
Dr. Thompson has proven himself to be an educator,
a guide, and a friend to all including the class of '76.
So to you, Dr. Lawrence Thompson, we dedicate
the Falcon 76.

THEME

"Spirit of the Falcon 76"

Saint Augustine's College has encountered all types of spirit since its existence in 1867. Spirits which depicts the nature and love of the 'Aug' family. Thus joining this Bicentennial Era of America, Saint Augustine's role mean a great deal to the Administration, Students, Alumni and Friends. Yes, we too have a vital part in the history of America.

During the past one hundred and nine years, Saint Augustine's College has made it possible for Black students to be educated in order to contribute to the growth of America. Amongst these walls has past great leaders of yesterday and even more for tomorrow. So as you view the 76 Annual of Saint Augustine's College, remember that we too have that Spirit of Love that encounters for a new tomorrow.

History of Saint Augustine's College

Saint Augustine's College was founded in 1867 through the combined efforts of the Freeman's Commission of the Protestant Episcopal Church and a group of clergy and laymen of the Episcopal Diocese of North Carolina under the leadership of Bishop Thomas Atkinson. During its history, St. Augustine's College has had eight principals or presidents.

The first principal, the Rev. J. Brinton Smith who was serving as secretary of the Freeman's Commission when the institution was being founded, stated that only four pupils were enrolled on the first day of operation. By the end of the session of 1871-72, the enrollment had increased to 110, including boarding students.

Upon the death of Dr. Smith in 1872, the Rev. J. E. C. Smedes took over the office of principal and maintained this position until 1884 when he was succeeded by the Rev. Robert B. Sutton.

Dr. Hunter became the principal in 1891 and remained in that position until 1916. During the Hunter administration, the curriculum was expanded, St. Agnes Hospital was founded, and the Chapel and Benson Library were constructed.

The Bishop Tuttle School was established by the Women's Auxiliary at Saint Augustine's College and began its first session in the fall of 1925 with Miss Bertha Richards as Dean. After the retirement of the Rev. Edgar H. Goold in 1947, Dr. Harold L. Trigg was elected president, becoming the first Negro president. During his administration the Penick Hall of Science was constructed.

Dr. James A. Boyer, son of the first dean and himself a former dean of the College, became president in 1955. During his administration the enrollment of St. Augustine's doubled, faculty salaries were substantially increased and the physical plant greatly expanded. Dr. Boyer's resignation and plans to return to the classroom were announced on May 24, 1966 by the Right Rev. Thomas A. Fraser, Bishop of the Diocese of North Carolina and Chairman of the Board of Trustees. Concomitantly, Dr. Prezell R. Robinson, Executive Dean and Professor of Sociology was appointed Acting President. On February 27, 1967, Dr. Robinson was elected President of the College.

Today Saint Augustine's College has broadened its curriculum base to center around teaching students to think critically and creatively. Under Dr. Robinson's administration St. Aug. has grown through enrollment and various buildings have been constructed which would include: New Library, Boyer Classroom, Martin Luther King Student Union with Mall and reflecting lights, Latham Hall and construction is underway for the new fine arts building for the department of art and music. Each president has added to the "Aug" something through his innovative ideas and input, but no one has built this institution on his own.

Yes, Saint Augustine's College has come along way and we the "Aug" family, would like to see it progress even more. Saint Augustine's College has progressed in the past and will continue to progress in the future.

THE SPIRIT OF

The Blackness of "76"

Is the bicentennial for the blackman?

Yes, this country belongs to the black man.

Our ancestors are the backbone of this country.

The white history books don't make it look that way, BUT we black people must realize who we are.

We must remember Crispus Attucks and Benjamin Banneker for they offered so much. We can't leave out Harriet Tubman and Sojourner Truth for they walked through the storm for us.

Absalom Jones opened the door to religion.

Prince Hall and W.E.B. DuBois fought the white man. Thurgood Marshall broke the close doors.

There are so many blacks that made this country.

This is our country BLACK PEOPLE, but we must remember it started in 1619 in Jamestown, Virginia.

As we look back and THINK, I belong here this is my country and we must celebrate our ancestors birthday.

FACULTY AND STAFF AT WORK

THE SPIRIT OF LEARNING

The spirit of learning that our forefathers knew
is not the same today with me and you.
Our forefathers wanted to learn,
for the spirit of learning in their hearts burn.
Risking their lives to learn to read,
so that some day there'd be a new breed.
Their children educated and freed!!!
Then came Banneker, Wheatley, Dubois
and others
To show the way to their brothers.
The spirit of learning it must continue
in the hearts of me and you.
We must show the way to others
our little sisters and our brothers.

Underclassmen

Term paper, research, outlining chapters
Not used to this!
Wow, 3 more years to go.

Heartless professors, algebra, chemistry
Getting used to it now,
Just 2 more years to go!

Straighten up, study harder, almost that time
Can't believe it
One more year to go!

Spirit is now a very fashionable word; to act with, to speak with spirit, means only to act rashly, and to talk indiscreetly. An able man shows his spirit by gentle words and resolute actions; he is neither hot nor timid. — Chesterfield.

SENIOR CLASS MOTTO

Knowledge comes, but wisdom lingers, and I linger on the shore, and the individual withers, and the world is more and more.

By Alfred, Lord Tennyson

CLASS POEM

IF

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated, don't give way to hating,
And yet don't look too good, nor talk too wise:

If you can dream — and not make dreams your master;
If you can think — and not make thoughts your aim,
If you can meet with Triumph and Disaster
And treat those two impostors just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you've given your life to, broken,
And stoop and build 'em up with worn-out tools:

If you can make one heap of all your winnings
And risk it one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And hold on when there is nothing in you
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,
Or walk with Kings — nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And — which is more — you'll be a Man, my son!

Rudyard Kipling

CORONATION 75-76

Spirit of Beauty

A Special Prayer

Relatives & Honored Guest

Black Women

Open your eyes and look around
you have a life time of dreams
and beauty if you can see it.

Every day is not promise and we have a lot to do.
We have to stand behind our "Black Men".
Sometimes be his eyes, ears and sometimes his heart.

No one said it would be easy, kind, or understanding
all the way through.

So open your eyes and do what you can and see if it
will be worth it in the end.

Cheryl Horne

Greeks and Social Fellowships

Alpha Phi Alpha, the first black Fraternity was founded on the campus of Cornell University, Ithica, New York, on December 4, 1906. The racial cleavage, characteristic of this period, had stimulated seven bold black students to form a group of minority people to insure mutual helpfulness.

These seven students are known to members of the fraternity as Jewels. Their courageous act was the initial step toward forming other fraternities. The ideas and principles upon which this fraternity was founded influenced many great men to join. Besides brotherhood, APA is based on knowledge and achievement.

Gamma Xi Chapter of Alpha Kappa Alpha Sorority, Inc. was founded on March 26, 1949 here at St. Augustine's College. As in previous years, the members have carried on traditional projects. Alpha Kappa Alpha women hold as their guiding light the motto: "Advancement through knowledge and Achievement."

Delta Sigma Theta is a National Greek-letter Sorority Founded at Howard University in Washington, D.C. on January 13, 1913. The founders envisioned an organization of College women pledged to serious endeavors, community services and to promote high cultural standards among its members of the larger society in which it existed. Today there are over seventy-five thousand members and more than four hundred chapters in forty states and the Republic of Haiti and Liberia. On January 12, 1963, at its fiftieth anniversary celebrated in Washington, D.C., President John F. Kennedy, the guest of honor, congratulated the organization on its service to the country.

Omega Psi Phi Fraternity was founded on the campus of Howard University on November 17, 1911. The purpose of our fraternity is to mold and shape young college men, who meet the general and specific standards of Fraternity-ship, into a finer product — a whole man.

Zeta Phi Beta was founded on the campus of Howard University in 1920. As a link in the great international chain, that is striving to make meaningful its ideals of Service, Scholarship and sisterhood. Through all its endeavors, the chapter has been guided by its motto, "Finer Womanhood".

Phi Beta Sigma Fraternity Inc., was founded on the campus of Howard University on January 9, 1914. Beta XI chapter was organized here at Saint Augustine's in 1944. The motto of the Fraternity is "Culture for Service and Service to Humanity."

Sigma Gamma Rho, the youngest of the Greek letter collegiate sororities and now an interracial organization, was organized November 12, 1922, by seven young teachers in Indianapolis, Indiana. On December 30, 1929, the sorority was incorporated as a National Collegiate sorority and a charter was granted to Alpha Chapter at Butler University. The sorority strives to foster ideals and encourage and up-right living among women.

Kappa Alpha Psi was founded on the campus of Indiana University in Bloomington, Indiana, January 5, 1911. The chief aim of Kappa Alpha Psi is to provide the climate within which students may acquire a sound moral, intellectual and social basis for effective living.

Nu Gamma Alpha Inc., was organized at Howard University in 1962, since then Nu Gamma Alpha has been spreading rapidly in the CIAA. Nu Gamma Alpha was organized on St. Augustine's campus on October 17, 1970.

Swing Phi Swing Inc., was organized at WSSU on April 4, 1969. On December 3, 1971 43 young women who had similar aims and objectives organized the NKIJHA Chapter on the Campus of St. Augustine's College. SOS is a Social Fellowship dedicated to uniting black womanhood and encouraging scholastic abilities. SOS was the dawning of beautiful age of Black womanhood.

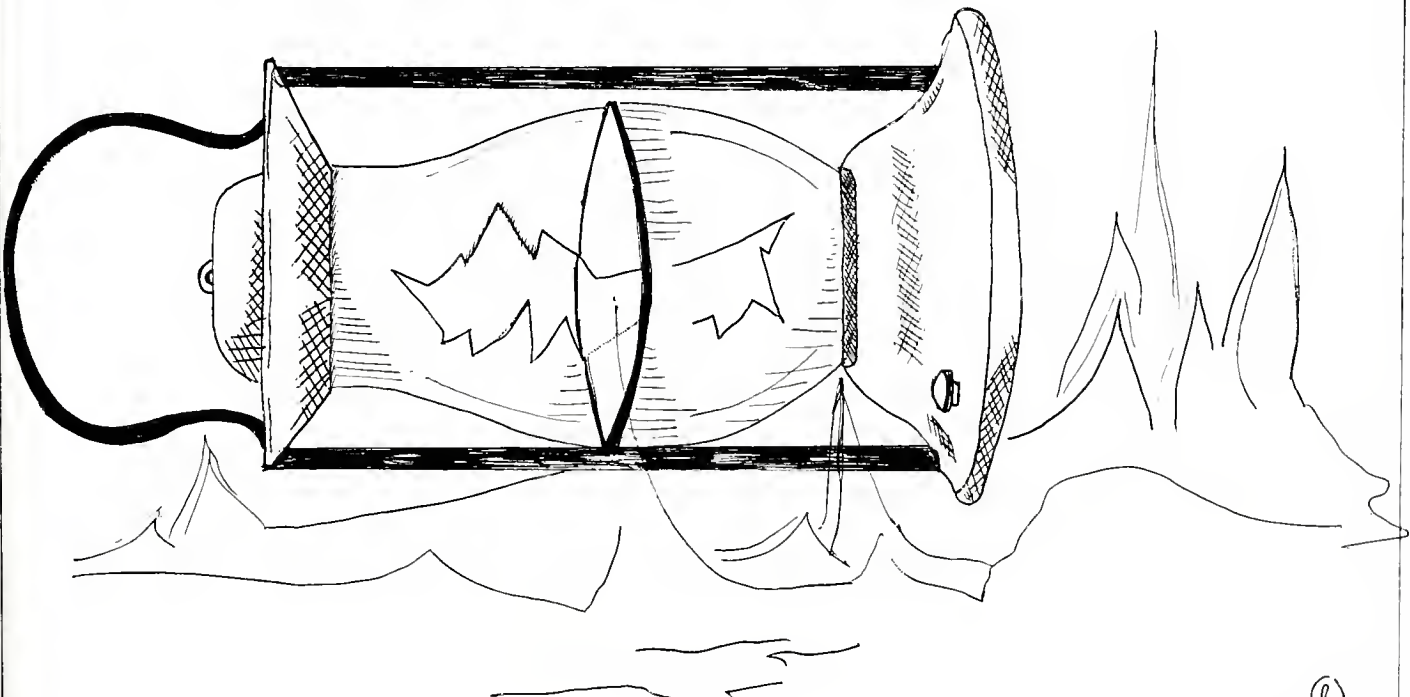

Grove Phi Grove Social Fellowship, Inc. was organized at Morgan State College in October 12, 1962. On December 8, 1968 ten young men who had similar aims and objectives organized the chapter here at St. Augustine's College. Groove Phi Groove is a social organization in which men of like attainment and same standards, ideals and ideals work together through self-expression, to achieve and maintain stated cardinal principles. These principles are scholarship unity, leadership and good character.

The Spirit Of Organizations

Life is one part of living . . .
Pledging is another.
Its unity, sisterhood,
brotherhood, and a chance to
enjoy a whole new experience.
Life is one part of living,
but pledging is another.

On December 3, 1975, six members of the yearbook staff along with their advisor, went to Cambridge, Md. to visit the Western Publishing Company. The trip proved to be very informative as we traveled through the plant learning about the various machines used in putting publications of all types together.

We met several interesting people. In the process of learning, we also managed to have a good time. Thanks for making the trip possible and because of it we hope to give you the best yearbook you ever had.

Mr. Robert Barnwell, Poet; Mr. Lee Royster, Artist

for their untiring and creative contribution to the Falcon

FROM THE EDITOR'S DESK . . .

Working hard to put these 240 pages together has been quite an experience. Many days and nights the feeling of giving up crossed our minds. But knowing that a winner never quit and a quitter never win, we made it to the end.

So as you view these 240 pages, remember that we are not professionals and are apt to make mistakes. On the other hand, we are proud of this publication and hope you will enjoy it as much as we enjoyed putting it together for you.

MEMORIAL

In Memory

Mr. John H. Barber presented the true sense of dedication. He was a hard and faithful worker here at Saint Augustine's College. His job was too menial when it came to the college. Mr. Barber made sure that the students and workers alike were comfortable during the cold seasons and at all times. He learned the oil and mechanics in more ways than one. Mr. Barber was never in the habit of spending his nights at Saint Augustine's as other that conditions might be found in a school for those involved directly or indirectly with the school. He was efficient to the last and was a dear and gold. He was well liked by the students, faculty, and his fellow workers.

Although he was a graduate of another institution, his love for the college was deep. If at any time he ever offended anyone it was unintentional because Mr. Barber was a beautiful person. "Let us live the memory of Mr. Barber", and as time moves on may others acquire such beauty as portrayed by him.

In memory

Master Sergeant Carl D. Johnston, a former Instructor of Military Science here at Saint Augustine's College, departed this life on his way to work in December 1975.

His work at Saint Augustine's College will be remembered for his efficient leadership and placed great importance on his men's assignment. As an instructor here, he dealt fairly with the cadets he taught and he instilled in them the feelings of pride and self respect.

Sgt. Johnston, is survived by his wife, Betty J. Johnston, three sons, Raymond, Donald and Otis and many students, and friends who miss him sadly.

We all loved you but GOD loves you best. Sleep on.

In Memory

Mrs. Jacqueline ... at ... "Class 75",

Jacqueline was married to Mr. James David ... graduate
of the "Class 75".

During Jacqueline's four years here, she excelled academically
and participated in many activities of the Aug Family. She was a
faithful member of the Gospel Choir and in various Business clubs
here on campus.

Memory

The Scent of the Roses

Let Fate do her worst; there are relics
of joy,
Bright dreams of the past, which she
cannot destroy;
Which come in the night-time of sorrow
and care,
And bring back the features that joy
used to wear.
Long, long be my heart with such
memories filled,
Like the vase in which roses have once
been distilled—
You may break, you may shatter the
vase if you will,
But the scent of the roses will hang
round it still.

— Thomas Moore.

College Hymn

Words and Music by Wm. Augustine Perry, Class 1902

God of every nation, Every race and creed;
Lord of every creature, Every budding seed;
Friend of every right and foe of every wrong;
Father, Son, Great Spirit, Listen to our song.

Chorus

So with thankful hearts, we Worship and adore Thee,
Father, Son, Great Spirit, Holy Trinity.

I

All good things of Thee come through thine agencies,
Christian lives, the Church, friends Service, charities,
Blessing all Thy children through eternity.
St. Augustine's College thus has come from Thee.

II

For Thy missionaries, laboring early here,
Building firmly for our Alma Mater dear;
For their self denials, joys and sorrows blest,
We give praise as now in paradise they rest.

III

For those friends and churchmen living everywhere,
Giving of their means to build our college rare;
For all those in service using every power
That we may enjoy this blessed happy hour.

IV

Ye alumni loyal
Who have passed and gone
Of you Christian lives this
Day for us was born.
Grant, O God, that we may
Live as worthily,
Passing onward greater
Opportunity.

International Homes Exclusive and Unusual Hope Chest, Items

What kind of people take Army ROTC?

They're all kinds of people, from all walks of life, with all kinds of interests. Music, sports, engineering, and almost every academic major.

Their reasons for taking Army ROTC are as diverse as they are themselves.

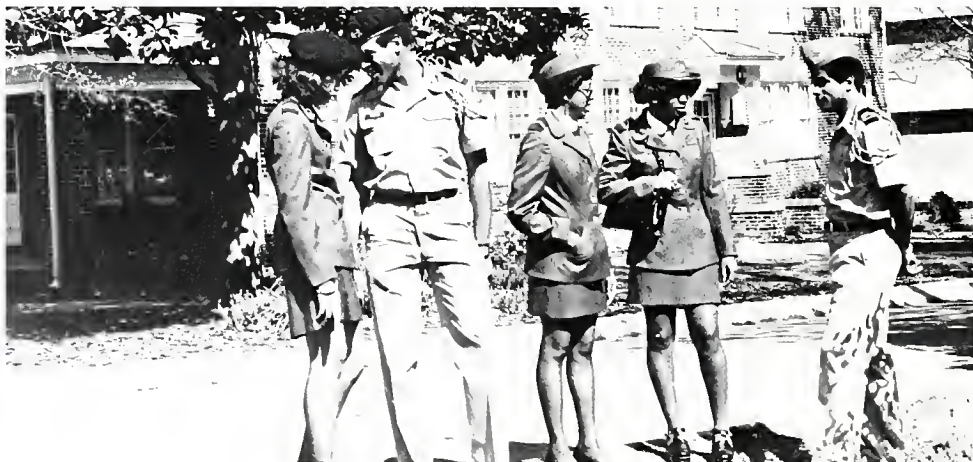

Some want the personal benefits they'll get from a pure leadership course. Others want the experience they'll get from serving as an Army officer, and the headstart it will

give them in a civilian career.

Some can use the extra \$100 a month they'll get for up to 20 months during the Advanced Course. Others just like the physical and mental challenge.
